**ELEPHANT & CASTLE**

# Culture and Cuisine

## About:

A beloved part of Dublin's dining scene for over three decades, Elephant & Castle is more than just a place to eat. It's where friends meet, families celebrate, and memories are made over plates of seriously good food. From world-famous wings to brunch favourites, all served with a side of warm hospitality. We focus on friendly, laid-back service; delicious food and a relaxed atmosphere – everything Elephant & Castle lovers have come to expect from a visit to our place.

## About:

Our signature charcoal-grilled kebabs are just the beginning of the Zaytoon experience. We invite you to explore the wider delights of the Persian kitchen. The concept of balance is central to the ancient cuisine of Persia, both in terms of nutrition and flavour profile. Characterised by a profusion of fresh herbs, delicate stings of spice and the sensual perfume of saffron, this is a noble food tradition that tends toward a celebration of plant based dishes.
